Pre-School Health Screening (7 day) with COVID 19 Test

Dear School families,

In an effort to minimize illness at school, we ask that you complete a daily assessment beginning 7 days prior to the start of your child's session. The best school session starts with healthy children and this begins at home. Please bring this completed form to school on the first day of your child's session. In addition, it is required to provide Park Shore with a negative result of an FDA approved Covid-19 test.

Please indicate if (child's name) _____ has any of the following symptoms prior to school and record a temperature daily. If any temperature exceeds 100.0 degrees or symptoms are present, please be evaluated by a licensed Doctor and contact school for further guidance.

Symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Muscle Pain
- Sore throat
- New loss of taste or smell
- Nausea
- Vomitting
- Diarrhea
