

# KINDERGARTEN TEAM NEWS

## OCTOBER

Week of 10/19-10/23

### Parent Info:

We have been working so hard on our alphabet. I can't believe that we are almost done with it. When it is completed we will assess the students on their letter recognition, letter sound, and letter formation. We will have a little alphabet party on Friday this week as part of our FUN FRIDAY. Next week we will be starting sight words. WOW!! We will be sending home information about how we do sight words and what is expected next week.

### This week we will be working on...

**Reading/Phonics:** We will continue to work on letter-word-sentence. We will be working on beginning sounds and we will be working on syllables.

**Math:** We finished our first Topic and had our assessment. This week we will be starting Topic 2.

**Writing:** We have been working on labeling pictures and we will start labeling our own pictures. We will be discussing what we can write about and how we can write stories. We will be working on using detail in our pictures and doing OUR BEST WORK.

**Alphabet:** We will be finishing up our alphabet by working on the Xx-Zz

**SS/Science: (S.S)** We will continue to talk about me and my family. We will start talking about voting and what the flag represents and what the Pledge that we say each day means. **(Sci.)** We will also continue working on classifying and sorting. We will continue to talk about the life cycle of a pumpkin and we will dissect a pumpkin (and of course make a Jack-O-Lantern).
