

KINDERGARTEN TEAM NEWS

NOVEMBER

Week of 11/23-11/25

Parent Info: We will start reading groups after Thanksgiving. I can't wait for this to start. We will be meeting in the beginning to go over letters and sounds, beginning sounds, ending sounds, and stretching out words. We will then move to readers. Your student will have a reading folder that will go home with them. IT MUST BE RETURNED THE NEXT DAY. The folder will only go home after we meet. It will give you an idea of what we worked on in our group.

The rainforest is coming along great. The students love to see their work start filling the tree and the room. We will continue this week and I will send pictures of the progress. Once the unit is over all their work and writing will be sent home.

This week we will be working on...

Reading/Phonics: We will continue to work on beginning and ending sounds and trying to spell words by stretching out the word.

Math: We will continue Unit 4

Writing: We will be writing about being a snowflake. We also continue to work on using spaces between words when writing.

HWT: We will continue in our workbook. We have completed all the "jump back up" letters.

SS/Science: We continue our rainforest unit. When we get back we will start discussing what a neighborhood is and what we find in a neighborhood. During this unit we will construct a small neighborhood in our class that during play time they can play with.

Special Happenings:

Classroom Feast - Wednesday

If you would like to contribute a treat please feel free. We have paper goods, juice boxes and Oreos already.

Sight Words: We will continue with the current sight word list. We usually have a list for 10 days and then test, This will bring us to Dec 2 when we will test and move anyone on that has mastered this list.
