

KINDERGARTEN TEAM NEWS

DECEMBER Week of 12/14-12/23

This week we will be working on...

Reading/Phonics: We will continue to work on beginning and ending sounds. We will continue trying to spell words by stretching out the word. I know that this has been the status in this space for a while, but we need to continue working on these skills to help them become stronger readers and writers.

Math: We are finishing up Unit 5 and will then start Topic 6.

Writing: The students will be working on labeling and writing sentences on their own. They will have a word bank to use and of course their sight words. They are using capital letters and punctuation along with making spaces between words. Last week we wrote about the Grinch, a reindeer and words associated with Hanukkah. This week we will write about Santa and what we would like to find under the tree.

HWT: We will continue to work on this workbook

SS/Science: We will talk about the holidays and what we may see in our community during this time. We will be working on our neighborhood. We have been singing various Hanukkah songs and Christmas songs. I love hearing the students singing!

This Week Holiday Happenings:

- Decorate your cupcake - (12/21)
- Class Bagel Breakfast/Movie (12/23)
