

KINDERGARTEN TEAM NEWS

FEBRUARY

Week of 2/22-2/26

Parent Info: I hope that you all had a great winter break. I can't believe that we are at the end of February already. This year is flying by. We will be celebrating the 100th ay of school this week on Friday.

We will be finishing up our unit on the planets this week. I hope that the kids had fun learning a little about each of the planets in our solar system.

We will be testing the students on their sight word lists and hopefully moving to the next list. I am so proud that they have 40 words that they have been introduced to and know and will be working on 41-50. **IT IS SO IMPORTANT TO CONTINUALLY GO OVER ALL THEIR WORDS.**

Continued practice of words list 1-present will help them as they read and write.

February is dental health month so we will be discussing going to the dentist and the importance of brushing our teeth.

This week we will be working on...

Reading/Phonics: We are working on word families. We worked on -at. We will be working on -op this week (we didn't get to it last week). These word families are a great way to go into working on Dr. Seuss next week.

Math: We had our Unit 8 assessment on Friday and the students did a good job. We will be starting Unit 9 this week.

Writing: We are really working hard on writing sentences. The students are doing well on writing a sentence about a picture. This week we are going to work on writing a sentence to answer a question. The students have their own writing office and they love it (sent picture). Hopefully this will help them as they write and gets them excited to do it.

HWT: We will continue to work on this book. We are working on our lowercase letters. We still have students forming the letters incorrectly and will continue to correct and work with them.

SS/Science: We will finish up the Solar System this week. We will work on Miss Dianne's science unit - The 5 Senses. We will talk about president's Day and George Washington. We will finish some of our valentines activities and celebrate the 100 days of school.

Special Happenings:

Washington's Birthday- Monday 22nd
100th Day of School-Friday 26th

Looking ahead: Dr. Seuss Birthday 3/2
