## MARCH

Week of 3/22-3/26

### Parent Info: HAPPY SPRING!!

Well this past week we started our unit on the 7 continents. The students are learning a song about the names of these continents and we packed up our luggage for the trip.

The students had fun coloring their clothes and making the suitcase.

This week will start our first flight on Park Shore Air. We will be heading to the "airport" and having to check our luggage and show our ticket. When we get to our destination we will have to go to customs and baggage claim before heading out to learn about our continent. I hope that the class loves this unit as it is fun and they learn a lot of great things about the world around them.

We will send home their Dr. Seuss envelope this week. Please take a look at all the work they have done.

**CLASS PROJECT:** I will be sending home a packet on Thursday that is a class project that you can do over the break. This should be fun and not take a lot of time. We are reading FLAT STANLEY this week and we will be sending Flat Stanley home to spend some time with your family. All you will need to do is take a few pictures with F.S and write a little about your adventure with him. I have included an example.

### This week we will be working on...

**Reading/Phonics:** We are still working on word families. Reading groups (aka reading meeting) are going well, however we are not meeting as much as I would like. I am hoping this will change moving forward.

**Math:** We are working on Unit 10 and should be finishing it before the break. We will have our assessment at the end of the week. We will start Unit 11 after we are back from spring break.

**Writing:** We will be writing about Europe this week. We are really working hard on writing sentences. We have been working on answering a question in a sentence. They are doing well.

**HWT:** I think we can...I think we can... It is like the book that wont quit. We are slowly but surely getting this done.

**SS/Science:** We will be learning many interesting facts about Europe this week. As we learn about this continent the students will be filling in their work packet.

**Special Happenings:** Park Shore will be closed March 29<sup>th</sup> - April 5<sup>th</sup>. We will reopen on Tuesday April 6<sup>th</sup>. PAJAMA DAY - Friday!!! I think this is great way to end the week and start out spring break.

**Sight Word:** We are currently working on list 5 and 6 (kids are on different lists). Please continue to go over all the lists with your students as continuous practice will help them to remember them.
