

# KINDERGARTEN TEAM NEWS

## MARCH

Week of 3/8-3/12

**Parent Info:** Kindergarten is reading!!! And I LOVE IT!! We took a vote on how many books we can read by the end of the month and we somehow came up with 360. Although this sounds like a lot we are including books read at home and in class. The class has been bring in their Read Across America book chart and together they have read 42 books at home-WAY TO GO!!! Keep up the good work!

As we do our calendar it is so nice to see the first day of spring coming close. I can't wait to be able to get out side with the class and enjoy some fresh air and much needed breaks from the classroom.

As the weather gets nicer and we start going out please be sure to have the students have appropriate outdoor clothing - sneakers are always encouraged.

**Sight Words:** I am so proud of the students. We are finishing up list 5 this week and will be moving on to list 6. We will work on reviewing all past sight words as we need to make sure we do not forget them. Please continue to go over the sight words (new and old) as often as possible.

### This week we will be working on...

**Reading/Phonics:** We are working on word families. This week we will be continue on -in as we just started this at the end of last week. We will also be finishing up Dr. Seuss this week (see Special Happenings). Reading groups are going slower than I would like. We are going to try and do things a bit different this week to see if we can meet more often and get these students moving along through the reading levels.

**Math:** We will be finishing up Unit 9 and will have our unit test hopefully by the end of the week.

**Writing:** We are really working hard on writing sentences. The students are doing so well. They are working on coming up with their own sentence. They are trying to remember to use upper case to start the sentence, good spacing, and punctuation

**HWT:** We will continue to work on this book. We didn't do as much last week as we had so much writing with Dr. Seuss I felt that they wouldn't have done their best work.

**SS/Science:** We will be talking about the Moon and finishing up our Space unit. We will talk about St Patrick's Day and start talking about spring.

### Special Happenings:

**Wednesday:** Wacky Wednesday- Wear something wacky. It can be unmatched clothes, inside out or even two different shoes- BE CREATIVE!

**Thursday:** Silly Sock Day-Wear your silliest socks

**Friday:** Crazy Hat Day-Find your funniest, silliest, craziest hat and wear it to school.
