School re-opens: 04/06

Parent Info:

Hooray! Spring is around the corner! Weather permitting, we will begin to venture outside to play. Please continue to dress your children appropriately. We will be having a lot of science fun this month! We will be doing some wind experiments outside: fly a kite, try to make various objects move with wind, blow some bubbles, & read the book "Spilt Milk" outside & then do our own cloud watching!! We will begin reading groups this month. After reading the book 5 times with me the children will bring home the book to read to you. Please return the book after reading it with your child. Please remember to view your child's pictures on our website. Remember, if you have any questions or concerns, feel free to contact me. Happy Spring!!
