## May

## Week of 5/10-5/14

**Parent Info:** We will be going out to the playgrounds so please wear sneakers or good active shoes.

For my girls: If you are wearing a skirt or dress I would suggest wearing shorts under them.

I know Park Shore sent a form about sunscreen. I am going to be their second application IF we are going to be out later in the day for an extended time. If we are headed to the playground in the morning I will not be applying it as you are to apply the first coat at home and that should still be good at that time. PLEASE apply it before school.

This week we will be going to South America. We are almost home!

I hope the students are having as much fun as I am doing our alphabet days. They are always asking what we are doing for the letters and I always tell them it is a secret. Haha!

**This week we will be working on...**

**Reading/Phonics:** We will start to talk about story elements. We will read a story and discuss the parts and then write about the story and do some book reports.

**Math:** We will continue to work on unit 13 and our shapes. I believe there is only one more unit in our workbook.

**Writing:** We will be writing about the books we are reading and we will be using writing prompts to write on our own. As we write we will have our papers corrected and they will rewrite. This process will be done until their piece is ready to present to the class.

**SS/Science:** We will begin our unit on living and nonliving things.. We will continue this and talk about the life cycle of a butterfly. We have caterpillars in our class and we will watch them change.

We have two more continents to visit and will be writing about those.

### Important Dates:

- Park Shore is closed for Memorial Day Friday the 28<sup>th</sup> and Monday the 31<sup>st</sup>.
- Graduation Video taping Monday 24<sup>th</sup>
- Last day of classes Wednesday June 9<sup>th</sup>
