Parent Info: This is an emotional time of the year for me. I am so excited that the children are maturing & will be moving on into an older class. However, I am sad to see them go. I have grown to love each one of them. I will always remember them just the way they are now. Your children have worked so hard this year and have accomplished so much. I am so proud of each one of them. It has been an honor and great privilege to have been your child's teacher this year. I thank all of you for sharing them with me. On behalf of Miss Beth & Miss Rosina, we wish you & your family a healthy & Happy Summer
