Parent Info:

This is always such an emotional time of year for me. I'm so excited that the children are maturing beautifully & that they are moving up to Kindergarten! However, I'm also sad to see them go. I have grown to love each one of your children. They will always hold an indelible & a very special place in my heart. I will always remember them just the way they are now. Your children have worked so hard this year & they have accomplished so much. I am so proud of each and every one of them, as I know you are. It has been an honor & my great privilege to have been your child's teacher this year. I thank all of you for sharing them with me. I have great expectations for the new adventures that lie ahead for them next year! On behalf of Miss Tricia, Miss Jackie & Miss Victoria we wish you & your family a healthy & happy summer! Enjoy!!
