Welcome to Miss Taneisha's class! I am excited about the opportunity to get to know you and your children and I am looking forward to experiencing a happy and productive school year with them!

In our class we will meet new friends, learn social skills, classroom rules and how to be kind to each other. We will also learn shapes, colors, letters and more! Our class filled with laughter, music, learning and love every single day!

I realize it can be difficult to leave your child with someone they are unfamiliar with and the separation can be challenging. A hug, kiss and a reminder that you will be back later helps make the transition into school easier. Separation anxiety can take up to two weeks, so please be patient. Please feel free to reach out to me to check and see how your child is doing. If I cannot get to the phone, I will try to return your call as soon as I can.

I look forward to spending so many bright and fun-filled days together.

I can't wait to meet you all!
