

Dear Parents,

Welcome to the 2021-2022 school year. I am very excited to announce that I have the pleasure of teaching your child this upcoming year. It is sure to be an exhilarating year of learning, as we incorporate various subjects into the curriculum this year — including music, science, computers / iPad technology and physical education.

To make sure we have a great start to the school year, I would ask that you please send in the following items with your child:

- An extra set of clothing for the warmer weather
- An extra set of clothing for the cooler weather
- An art smock
- Diapers or pull ups and wipes \*if you child is still wearing them.

(Place all clothing in a labeled Rubbermaid shoebox size plastic bin and label it with your child's name.)

If you have not yet handed in your child's profile sheet and any other paper work, please make sure you submit it to the office soon so that we can be aware of your child's needs.

Please make sure to download the remind app as well. Throughout the year I send reminders for class events as well as send pictures throughout the day just so you can see what we are up to in class that day. The class code is @d47bgb.

Please make sure to check out the Park Shore website, [www.parkshoredaycamp.com](http://www.parkshoredaycamp.com) weekly. There you will be able to find important information, class lessons, school closings and pictures of your child throughout the school year.

If you have any questions, feel free to call me at park shore. You can also visit the school website to learn more about special up comings at our school. You can also sign up for the remind app to get reminders about classroom happenings as well. Miss Kerin and Miss Beth and I are looking forward to meeting your child!

Sincerely,

Miss Candy Gates
