SEPTEMBER

Week of 9/13-9/17

Parent Info:

I hope that your students had as much fun as I did last week and that they looked forward to coming back.

Please send in anything that we still need, clothes, towel, and paperwork.

We are working on recognizing not only our names but our classmates names.

Every week you will get a peek at what we will be doing in class. You will also get your homework for the week. These will be put in the clear page protectors so you can refer to them during the week.

If you need to reach me you can send a note in their folder, call the school or send a remind.

This week we will be working on...

Reading/Phonics: We will be learning what makes a good reader and good listener. We will be discussing the parts of the book and how to treat books

Math: We will continue to learn the other students names we will be counting how many letters they have and talking about more and less. We will also be starting NUMBER BOOTCAMP. Each day we will be working on a number. We will start our math workbook soon.

Alphabet: We will be starting ABC BOOTCAMP. We will work on a letter a day until we reach the letter Z. We will be working on recognition, formation and sound. This is a good foundation to move into sight words.
