

KINDERGARTEN TEAM NEWS

SEPT/OCT Week of 9/27-10/1

Parent Info:

The class has been working hard on reviewing their letters. We have been working on letter recognition, letter sounds and writing the letters (using the correct letter formation). Ask your student about our Alphabet song that we sing in class and the song about where to start our letters. I will send the alphabet book home on Friday for you to take a look at. These must be returned to school on Monday as we will continue to work on them. We also started to send home our class books. When your student gets a binder sent home it has pages from each student that we put together to make a book. This is a great opportunity to see your students work and the work of others. It also gives you a great way of talking to them about the class and what is going on in it. There is a form to sign that lets us know who received the book.

This week we will be working on...

Reading/Phonics: We will continue to work on what makes a good listener. We will also discuss how letters make up words and words make up sentences. We will start to discuss how to point to the words on the page and the direction to read (top to bottom and left to right). We will also practice sweeping to the next line. We have started discussing rhyming words and will continue to work on this during the next few weeks.

Math: We have been working on a number a day and will stop at 10 (for now). We will be getting our Math Workbook this week and start Topic 1. This starts us counting to 3.

Writing: We will be drawing pictures and presenting them to the class. We are working on 3 star coloring - which is staying in the lines, filling in the white space, and choosing correct colors.

Alphabet: We will continue to work on a letter a day

SS/Science: We will continue to work on our apple experiments and activities. We will also continue to talk about what makes us who we are, how we are alike and different, and what makes us special.

KINDERGARTEN TEAM HOMEWORK

Week of 9/27-10/1

This weeks Homework is as follows:

Monday: Math Activity

Tuesday: Letter Activity

Wednesday: Math Activity

Thursday: Number Activity

******You will get the paper/ditto/manipulatives to do the homework stated above the day that it is assigned. Please leave this page in their folder so that you can use it during the week to complete the work. Thank you!
