

KINDERGARTEN TEAM NEWS

OCTOBER

Week of 10/18-10/22

Parent Info:

I can't believe that we are almost finished with the alphabet. The kids have been doing a great job with the routine of how we introduce the letter, we learn about an animal, we try to come up with words that start with the letter and then completing the notebook. I love a good routine! Once we are done with the letters and do a bit of review and practice we will start our sight words.

It is fire prevention month and we have been talking about what we do in case of a fire, were we meet our family outside, Many local fire stations have an open house day around this time, check yours out and see. It was always a good day with my kids.
