

# KINDERGARTEN TEAM NEWS

## Nov/Dec

Week of 11/29-12/3

**Parent Info:** I hope everyone had a wonderful thanksgiving and enjoyed time with family. Last week we spoke about all the things we were thankful for and I was certainly thankful that we could get together with loved ones during this weekend. With Thanksgiving behind us it is time to start working on getting our class ready for the winter and the holidays. We started this last week as we put up our menorahs and dreidels. This year is going so fast I can't believe that it is time to even say holiday. This month we will be doing a lot of writing and projects to go along with several books we will read about the holiday and winter. We will be hanging them up in the classroom as decorations I will take pictures of them and they will be sent home before December/winter break

**This week we will be working on...**

**Reading/Phonics:** We will continue to work on beginning and ending sounds. We will continue trying to spell words by stretching out the word.

**Math:** We will start Unit 4

**Writing:** We will be working on drawing a picture and writing about it. We will work on labeling it as we are not ready to write a sentence

**HWT:** We will continue working on this workbook. The kids like this activity and enjoy being able to tell me which of their letters they wrote the best by circling it.

**SS/Science:** We will be discussing what a neighborhood is and what we find in a neighborhood. We will be working on our addresses.

**Sight Words:**

We will be doing a quick review of our first sight word list and retesting them on Monday. We will then hand out the new lists to those who were able to read all of the words and spell most of them. For those that can not yet do this we will continue to work on the first list. When they receive a new list please be sure to go over words from previous lists as well. Continued practice will help them as they read and write.

# KINDERGARTEN TEAM HOMEWORK

Week of 11/29-12/3

This weeks Homework is as follows:

- Monday:** Math Activity  
Go over Sight Words
- Tuesday:** Math Activity
- Wednesday:** Sight Word Activity
- Thursday:** Dot to Dot  
(we are working on counting, using straight lines and coloring in the lines)

Please continue to use the flash cards, games, and writing practice activities that I send home. The continued practice with each of these will help your student with their reading and writing.

\*\* You will get the paper/ditto/manipulatives to do the homework stated above the day that it is assigned. Please leave this page in their folder so that you can use it during the week to complete the work. Thank you!
