Happy Valentine's Day to all of you! We will continue this month concentrating on last month academic skills. This month we will discuss in great deal the importance of expressing our feelings & the meaning of them. We will be learning about dental health. A friendly reminder that we will be sending progress reports home at the end of the month. Please continue to work with your child at home on their cutting skills, as well as, practicing to write their names. Enjoy the winter break with your children & play a lot!!
