

KINDERGARTEN TEAM NEWS

MARCH Week of 3/7-3/11

Park Shore is mask optional. Please be sure to talk to your student about covering their sneezes and coughs. We are still trying to encourage them to not be in each others faces and to keep hands and fingers away from their noses and mouths (these were covered and harder to get to with the mask). We are working on this regardless of mask or no mask, but as we start this no mask time we need to be diligent on being cautious. Please talk to them and work on this at home as well.

Parent Info:

Kindergarten is reading!!! And I LOVE IT!! We took a vote on how many books we can read by the end of the month and we somehow came up with 514. Although this sounds like a lot we are including books read at home and in class. Some of the class has been bring in their Read Across America book chart and together we have read 12 books at home/school- WAY TO GO!!! Keep up the good work!

As we do our calendar it is so nice to see the first day of spring coming close. I can't wait to be able to get out side with the class and enjoy some fresh air and much needed breaks from the classroom. We will be working on getting the classroom ready for spring - YAY!

As the weather gets nicer and we start going out please be sure to have the students have appropriate outdoor clothing - sneakers are always encouraged.

This week we will be working on...

Reading/Phonics: We are working on word families. We have worked on -at and -op. This week we will be working on -in. We will also be finishing up Dr. Seuss this week.

Math: We finished Topic 7 and will review on Monday and assess on Tuesday. We will start Unit 8 on Wednesday. This unit works on subtraction.

Writing: We are really working hard on writing sentences. The students are doing so well. They are working on coming up with their own sentence. They are trying to remember to use upper case to start the sentence, good spacing, and punctuation

HWT: We will continue to work on this book. We didn't do as much last week as we had so much writing with Dr. Seuss I felt that they wouldn't have done their best work.

SS/Science: We will continue to work on our rainforest. We should be finished at the end of the week and we will send home all work next week. We will talk about St Patrick's Day and start talking about spring.

Sight Words: I am so proud of the students. We finished list 5 last week and will be moving on to list 6. We will work on reviewing all past sight words as we need to make sure we do not forget them. Please continue to go over the sight words (new and old) as often as possible.
