

KINDERGARTEN TEAM NEWS

MARCH Week of 3/14-3/18

Please be sure to talk to your student about covering their sneezes and coughs. We are still trying to encourage them to not be in each others faces and to keep hands and fingers away from their noses and mouths (these were covered and harder to get to with the mask). We are working on this regardless of mask or no mask, but as we start this no mask time we need to be diligent on being cautious. Please talk to them and work on this at home as well. **If your student is coughing/sneezing a lot we have been told we should give them a mask to wear. Please be sure to keep you student home if they are sick. THANK YOU!**

Parent Info: We have finished the Rainforest Unit in class. We learned so many things about the different layers and some of the animals we may find there. We worked so hard on this that I will be keeping it up in the room for the week and will send home all the work that they did next Monday or Tuesday. We will start the next unit soon.

Mother nature has been teasing us with a few nice PLAYGROUND days. It is so nice to get out and be able to run around. Hopefully the upcoming weeks will give us some more days to go out and enjoy.

We finished up our Dr. Seuss study. Their work will be coming home at the beginning of next week as well.

Please be sure to go over sight words. Not only words that we get this week but every once and a while take out their past lists and ask them to tell you the words or ask them to spell the word to you. Knowing these words will help with their reading and writing.

Report cards are being sent home this week. Please read them and send in the envelope signed. This just lets me know that you have seen it (some students did not send in the envelope from the last one so I will give you a different one). I will need them for the last report card that you will receive on the last day.

This week we will be working on...

Reading/Phonics: We are working on word families. We worked on -at,-op and -in. We will work on -it this week We starting to work on vowels. We did go over these when we went over the letters at the beginning of the year, but will reintroduce them.

Math: We have started Unit 8 . In this unit we talk about subtraction -the students are doing well . They love when I tell a story about the math problem and use their names.

Writing: We are really working hard on writing sentences. We will be doing a lot of writing moving forward.

SS/Science: We will be getting our classroom ready for spring and we will be talking about St Patrick's day and those tricky leprechauns.

KINDERGARTEN TEAM HOMEWORK

Week of 3/14-3/19

This weeks Homework is as follows:

- Monday:** Go over Sight Words
Syllable and Rhyme Activity
- Tuesday:** Go over Sight Words
CVC Word Activity
- Wednesday:** Go over Sight Words
Wear Green Tomorrow for St Patrick's Day
- Thursday:** Go over Sight Words

Please continue to use the flash cards, games, and writing practice activities that I send home. The continued practice with each of these will help your student with their reading and writing.

DON'T FORGET TO READ AND PUT IT ON
YOUR LOG. SEND LOG IN EACH DAY AS
WE CAN UPDATE OUR COUNT IN CLASS.
If you are reading a chapter book you can log
the chapters (ie book title: chapter 1- pg1-19).
