

# KINDERGARTEN TEAM NEWS

## April Week of 4/25-4/29

**Parent Info:** The last week of April - Time needs to slow down!

I hope everyone had a great Spring Break. I hope that you also had fun with Flat Stanley. Please be sure to hand your project in during this week. We will be sharing them on Friday with the class. I can't wait to hear about all the adventures that Flat Stanley had.

Friday (4/22) was Earth Day so we will be discussing it this week.

We are working on our countdown to the last week by doing our alphabet backwards. I think it is fun to do another quick practice of writing our letters and have a fun activity to go along with it. Please see the schedule on the homework page. This will be something we will be doing for the next 26 days. Please try to participate when it something to wear or do from home. I will be taking pictures for my end of the year video, as I have for all activities and special days in class.

**GRADUATION:** Park Shore will be having a graduation on Wednesday, June 8<sup>th</sup>. I have not yet received a time for this event I hope to have this information by the end of this week. Once I have it I will pass on the information.

**This week we will be working on...**

**Reading/Phonics:** We are working on word families. We will continue to work on these. We are working on vowels in class and will continue to work on this. We are going to have a few activities that the students will read the directions and have to complete the activity on their own.

**Math:** We will finish up Unit 9 and assess the students. We will then start Unit 10. This Unit works on composing and decomposing 11-19.

**Writing:** We have been writing about our Solar System. We will be doing more writing on our own and sharing it with the class.

**HWT:** It's the book that won't quit. We will continue to work on this.

**SS/Science:** We will be discussing Earth Day. This was Friday of our break, but we will be talking about it this week. We will continue to learn about the planets, we will watch videos and read about many of the planets in our solar system. Each time we visit one we write in our packet. This week we will finish up the planets. We will look a bit closer at the moon and talk about Pluto. We will also write about what we would do if we were an astronaut.

# **KINDERGARTEN TEAM HOMEWORK**

**Week of 4/25-4/29**

**This weeks Homework is as follows:**

**Please be sure to hand in your flat Stanley project during this week.**

- Monday:** Go over Sight Words  
Write your name activity
- Tuesday:** Go over Sight Words  
Sight Word Packet (day one)
- Wednesday:** Go over Sight Words  
Sight Word Packet (day two)  
Wear **YELLOW** tomorrow (Thursday)
- Thursday:** Word Family Activity

Please continue to use the flash cards, games, and writing practice activities that I send home. The continued practice with each of these will help your student with their reading and writing.

**Backward Alphabet schedule for this week:**

- WEDNESDAY- Zz** - We will be making Zebras in our class
- THURSDAY- Yy** - Please wear Yellow-Yoyo activity in class
- FRIDAY- Xx** - Today we will be exchanging autographs
