

# DECEMBER

Miss Kristen's Class 12/11 – 12/22

## Learning Focus

Our daily objective remains becoming independent (unpacking and packing up respectively) and now that we

are familiar with our classroom and rules and have learned how to put on our coats, we are now working towards buttoning and zipping independently. We will continue to stress the importance of playing nicely together, respecting one another, sharing, and personal space. Fine motor skills development continues, reading, writing and spelling our names as well as shape review and seasonal study; fall and holiday studies; including but not limited to Hanukkah and Christmas.

- Intro to Letters "Jj" & "Kk" / phonemic word list, letter drawings and smart board use: Numbers 8 & 9
- Read Alouds: "[Runaway Latkes](#)," "[Let's Celebrate! Special Days Around the World](#)" & "[Come and Join Us!](#)" Just to name a few
- Math: Daily Calendar and weather, counting days of the week, months of the year, sunny, cloudy and rainy days and intro to graphing, patterns and holiday countdown
- Science: Exploding Snowman
- Art: Winter Trees and Snowflake Art

- 
- Please continue to dress warm and wear layers as we will continue to go outside as long as weather permits, and we walk to our specials on Tues, Wed & Thurs
  - The Park Shore school wide Candy Cane Hunt will take place outdoors (pics to follow)
