Parent Info:

Happy Valentine's Day to all of you! We will continue this month concentrating on last month's academic skills. This month we will be discussing in great detail the importance of sharing, caring, love, & friendship, as well as, the importance of expressing our feelings & the meanings of them. We will be learning about dental health & we will be having a lot of fun exploring Science concepts. A friendly reminder that we will be sending progress reports home at the end of the month. Please continue to work with your child at home on their cutting skills, as well as, practicing to write their names. Enjoy the winter break with your children & play a lot!! :)
