Parent Info:

This month we will be finishing up the Alphabet and we will continue to review all concepts learned until the end of the school year. Once we are finished with the letter Zz, our weekly homework will come to an end. On another happy note...thank goodness Spring has arrived! We will be concentrating on and learning about all the wonderful things that Spring brings with it which includes warm weather, flowers, and yes, even bugs. That's always fun to discover! ☺

We will have Caterpillars here in class and we will have fun watching them metamorphosis into beautiful Butterflies! We will then set them free outside here at Park Shore! That is always a fun day!

This year Mother's Day arrives on 5/12. We wish all Mom's a very Happy Mother's Day! Enjoy time with your children!
