

Miss Taneisha's Toddlers CLASS NEWSLETTER

Date: Dec. 2nd - Dec 20th
Theme: Winter Holiday Fun

A note from the teacher...

Happy December, let's give a cheer,
The coldest days of the year are here!

Bundle up tight, don't forget to prepare,
Label those coats, scarves, and gloves with care.
We're learning and growing, so here's what we'll do:

Practice our jackets—we'll zip them up too!

We'll talk about holidays, the joys that they bring,
From candles to feasts, to songs we can sing.
Each of us celebrates in our own special way,
We'll learn about love every single day.

Our books are our friends, so we'll read and explore,

Turning the pages to see what's in store.
With safe hands and kind hearts, we'll play and we'll share,
Building a classroom filled with love and care.

So let's welcome December, so snowy and bright,
We'll learn and we'll grow with all of our might!

Highlights from the week...

Literacy

Reading books to toddlers sparks their imagination and builds early language skills.

- First Snow
- Christmas Eve Good Night
- Oh Chanukah!
- My First Chanukah
- Snowmen at Christmas
- Hanukkah Oh Hanukkah
- Santa Duck
- The Gingerbread Bear
- There Was a Cold Lady Who Swallowed Some Snow!
- Llama Llama Holiday Drama,
- Vegetables in Holiday Underwear
- The New Potty

Math

One, two, three, let's start to see,
Counting is fun for you and me!
Four, five, six, the numbers stick,
Let's line them up—quick, quick, quick!
Seven, eight, nine, oh, what a sign,
We're learning to count just fine!
Ten comes next, we shout, "Hooray!"
Learning numbers every day!
Add some fun, jump and clap,
Count to twenty—give a rap!
Numbers grow as we explore,
Let's keep counting more and more!

Extra Fun!

We have so many holiday projects to do:

- Our Santa Advent Calendar
- Christmas Tree Splat Paint
 - Our Kwanzaa Kinara
- Our Kwanzaa Harvest Mat
- Our Hanukkah Menorah
 - Watercolor Dreidle

Our Science Projects:

- Making Dreidles Spin
- Peppermint Water Experiment
- Growing Crystal Ornaments
 - Salt Snowflakes
