

Miss Taneisha's Toddlers

CLASS NEWSLETTER

Date: Feb 3- Feb 28

Theme: Love is in the Air...

A note from the teacher...

February is here, and the children are embracing the winter months with excitement! While staying active indoors, we've been exploring different sports and fun ways to exercise. The kids have been having a blast working on their coordination, especially practicing their kicking skills to build strength! It's amazing to see how much they've grown—they're talking more, showing more independence, and eager to do things on their own. We are also continuing our focus on potty training for all our friends in the classroom. At home, please encourage them to take those independent steps—they are capable of so much, and their confidence is growing every day!

Highlights from the week...

Literacy

Clap and Spell Your Name

Clap, clap, let's begin,
Spell your name with a great big grin!

(spell your name) that's the way,
Clap for each and shout, "Hooray!"

Clap it fast, clap it slow,
Say your name and watch it grow!

Now one more time, nice and loud,
Clap and spell—be proud! 🎉👏

Math

Let's count up high, let's count up strong,
Sing with me and come along!

11, 12—just like that,
13, 14—tip your hat!

15, 16—jump so high,
17, 18—touch the sky!

19, 20—way to go!
Now count again, nice and slow!

You can clap, jump, or use fingers while saying the rhyme to make it even more fun!

Extra Fun!

Bears hibernate, snug and tight,
Sleeping through the frosty night.

Groundhog pops up—what will he say?
More winter or spring on the way?

Valentine's Day is full of cheer,
Sharing love with those so dear.

Black History Month—let's stand tall,
Honoring heroes, one and all.

Winter birds search high and low,
Feed them seeds to help them grow!

Brush your teeth, keep them bright,
Morning and night, scrub just right!

important dates

No School for Winter Break- Feb 17th - Feb 21st

Kid Smiles visits Park Shore - Feb 6th
