Parent Info:

Well, they say that March is supposed to be a month of crazy weather
and it definitely turned out that way! March came in like a Lamb & left like
a Lion! We will be venturing outside a lot more to play, how exciting! It
has been a long winter, and I know that the children will be happy &
excited to do so! Please continue to dress your children appropriately.
We will be continuing science fun in the classroom. This month we will
be mixing colors & using pastels. We also will be planting seeds &
learning how a seed grows. Hmm..I wonder what will happen if we plant
a seed without dirt? Well, we'll keep you posted! :)
