

Miss Taneisha's Toddlers

CLASS NEWSLETTER

Date: March 31 - April 25

Theme: *The Colors of Spring*

A note from the teacher...

We have made it through winter, and now we can enjoy the beauty of spring blossoming around us! The children are loving our long walks as we observe all the exciting changes in nature. With the warmer weather, we'll be spending even more time outdoors. Please remember to apply bug spray and sunscreen on your little ones before they start their day.

The kiddos have been mastering the **3-year-old playground**, and their gross motor skills have come so far since the beginning of the year! While we are grateful for our outdoor playtime, we are just as excited about learning. Every day, more letters and numbers are being recognized—it's such a joy to see their progress!

A quick **camp reminder**: If your child is planning to attend full-day camp at Park Shore, they must be potty trained. Please reach out if you have any questions or concerns about camp.

Thank you for your continued support—we're looking forward to a wonderful spring!

Highlights from the week...

Literacy

Pink flowers bloom, so bright and sweet,
 Yellow sun shines—oh, what a treat!
 Green leaves grow on branches tall,
 Purple petals softly fall.

Blue sky high and clouds so white,
 Butterflies dance—what a sight!
 Spring is here, hip-hip-hooray!
 Let's go outside and laugh and play!

Math

One little bee, flying in the sun,
 Looking for flowers—oh, what fun!

Two little bees, buzzing so free,
 Dancing together near a big oak tree.

Three little bees, sipping nectar sweet,
 Flapping their wings—oh, what a treat!

Four little bees, zooming past the door,
 Spinning and twirling—can you count one more?

Five little bees, busy as can be,
 Bringing us honey for our tea!

Buzz, buzz, buzz—count them all again,
 Springtime is here, let the fun begin!

Extra Fun!

April's here—hip, hip, hooray!
 Flowers pop up, birds go "Hey!"
 The sun comes out, then hides real fast,
 Springtime weather—such a blast!

Passover's matzah—crunch, crunch, crunch!
 Easter's here—so much to munch!
 Eggs are hidden—where'd they go?!
 (Found one... oh wait, that's my toe.)

Spring break fun—no school, woohoo!
 Stay up late? Okay, just two...
 Autism love—let's cheer and say,
 "You're awesome just the way you play!"

Earth Day's time to hug a tree,
 Or maybe two, or even three!
 April's wild but oh so sweet,
 The best month ever—hard to beat!
